ORDER:-

In the G.O. 1st read above, the Government have permitted the Director of Animal Husbandry to call for e-tenders to finalize the items and to release the rate contract items by entering into an agreement with the qualified firms involving technical and financial bid committees for procurement of equipment to Veterinary Biological Research Institute (VBRI), Vijayawada, A.P.

2. In the letter 2nd read above, the Director of Animal Husbandry, A.P., Vijayawada has reported that, the Joint Director (AH), Veterinary Biological Research Institute (VBRI), Vijayawada has stated that certain equipment and miscellaneous Laboratory needs for VBRI, Vijayawada which were not finalized in the 1st call of tender, were called again for 2nd time and cancelled as only one firm has participated for some items. Hence, e- tenders were invited for 3rd time also for Bio safety cabinet, Immuno wash, Microscopes, Water purification, PCR Work station, Tissue homogeniser, Fire extinguishers and Vacuum pump. The financial bid committee is of the opinion that the department be permitted to procure, keeping in view of the required items from the lone participants of the bidding process even though single participant is qualified in the bids, in view of the dire need of the equipment to make the Veterinary Biological Research Institute (VBRI), Vijayawada functional on the grounds that the price quoted by the firm in the single tender is nearer to the prevailing market price. The Director of Animal Husbandry has therefore requested the Government to consider the proposal and approve the rates quoted by the firms on e-procurement tenders called for 3rd time and permit the department to enter into agreement with the concerned firms to purchase the following equipment to make the Veterinary Biological Research Institute, Vijayawada functional.

Firm wise List of Laboratory equipment with quoted price

(p.t.o)

3. After careful consideration of the proposal, Government hereby approve the rates quoted by the firms on e-procurement tenders called for 3rd time and also accord permission to the Director of Animal Husbandry to enter into agreement with the concerned firms to purchase the equipment as mentioned at para (2) above to Veterinary Biological Research Institute, Vijayawada to make it functional.

4. The Director of Animal Husbandry, A.P., Vijayawada shall take necessary action accordingly.
